### Inclement Weather Closure Policy

At Twinkle Little Stars, the safety of our families and staff is our highest priority. During the winter months or in the event of severe weather, the center may close, delay opening, or close early to ensure everyone's well-being.

While we may reference local school district closures (e.g., Colonial School District), we make our decisions independently based on weather conditions, road safety, power outages, and building accessibility. Notifications will be sent through Brightwheel and posted on our social media as early as possible.
